SPORTING.

FOOTBALL. — A football club has recently been formed in the city, and on Saturday the season was opened with a scratch match between ten members of the Club and a fifteen of the College School, played on the ground of the latter.

The College played heartily in the scrimmages, in which they generally had the best of it, but it was hardly expected they could prove a match for their older and more weightier opponents. Eight tries at goal were obtained for the Club; 3 by Hartley, 3 by J. P. Riddiford, 1 by W. A. Lucy, and 1 by A. King; and from these two goals were kicked, one by W. A. Lucy and one by W. A. Boughton.

The club was therefore victorious by 2 goals and 6 tries to nil, in its first essay. The following members played, F. Hartley, (captain), J. P. Riddiford, W. A. Lucy, W. A. Boughton, E. L. Blossie, John Boughton, J. A. Balfour, A. King, Mc.Kenzie, and R. Ping.

A game will be played today (Saturday) on the Spa ground. Gentlemen wishing to join the club should communicate with the hon. sec. Mr. J. P. Riddiford, Northgate house, Gloucester.
