GLOUCESTERSHIRE IN CHAMPIONSHIP FINAL.

DEFEAT OF MIDDLESEX AT TWICKENHAM.

Gloucestershire qualified to meet Lancashire in the final of the County Championship by defeating Middlesex, at Twickenham, last Saturday, by 3 goals (p), 1 try (12 points) to 2 tries (6 points).

Boughton, who played a brilliant game at full-back for the winners, kicked all three penalty goals, the try being scored by McCanlis after a determined burst. Reeve (England) and Carris (Cambridge University) scored the tries for Middlesex.

The Gloucestershire forwards, led by J. S. Tucker, gave a great display, and in this department Middlesex were well beaten.

The final will be played at Waterloo, near Liverpool, on March 8th.
