### HARLEQUINS' DEFEATED AT KINGSHOLM.

Gloucester gained a well-deserved victory over the Harlequins at Kingsholm last Saturday by 2 goals (1p) 1 try (11 points) to 2 goals (1p) (8 points). James and McCanlis scored the tries for Gloucester, and Boughton kicked the goals.

The Harlequins had the assistance of H. Hamilton-Wickes and A. L. Gracie, the old Internationals, but both obviously lacked training.

The City attacked repeatedly in the second half, but only managed to score once through McCanlis. Meadows dropped a goal, but the points were disallowed, owing to the ball flicking an opponent before going over the crossbar.
