FOOTBALL.

With eleven reserves Gloucester were severely handicapped against Bristol, but put up a creditable fight and were only beaten by 2 tries to nil.

Today England met Scotland at Twickenham for the Calcutta Cup. A new "cap" in the English team was C. C. Tanner (Cambridge University and Cheltenham College), son of the Rev. M. C. Tanner, former rector of Upton St. Leonards, Gloucester. Tanner failed to get a trial at Cambridge until this term, and had only taken part in two first-class games.
