### **GLOUCESTER'S FINE WIN IN LONDON.**

Gloucester accomplished one of their best performances of the season last week, when they defeated Guy's Hospital at Honor Oak by 3 goals (2p), 1 try, (14 points), to nil.

Last November the City triumphed at Kingsholm by 19 points to 3, and in winning the return game beat the Hospital twice in one season for the first time in the club's history.

Crichton-Miller and James scored the tries for Gloucester, and Boughton converted one and kicked two penalty goals. The City forwards played a fine game, and laid the foundation of victory.
