### **GLOUCESTERSHIRE'S VICTORY OVER SOMERSET.**

At Kingsholm last Saturday, Gloucestershire defeated Somerset in a county championship match by 3 goals (1d) 2 tries (20 pts.) to 2 goals (1p), 1 try (11 pts.). Weaver (2), James and Burland scored tries for Gloucestershire, and G. Davies scored the goal.

Gloucestershire led at one period by 15 pts., but Somerset finished strongly, and the penalty goal was obtained with the last kick of the match, the ball striking the cross-bar and bouncing over.

As a result of this game Gloucestershire lead in the South-West Section with three points, Cornwall and Somerset having two points each and Devon (last year's winners) one. Gloucestershire's next engagement is with Cornwall, at Bristol on January 11th.
