NOTES

Gloucester have not previously met the representative Army team, which to-day presents a formidable appearance. The whole of the back row forwards are Internationals, and belind the scrum Jackson (Scotland), Matthews (Wales) and Davies (Wales) have also represented their countries. The full-back played in a Welsh trial this season after being selected for the first English trial. Gatford is a Cambridge "blue."

Gloucester lack the services of Evans, otherwise the team is at full strength. R. Jones played for Cardiff against Gloucester last season and is now working in Gloucester.

A spectator of last Saturday's game against I ondon Scottish, says that it was one of those days when nothing yould go right, or Gloucester would have built up a commanding lead before half-time. The team arrived in good spirits and in plenty of time for the kick-off so there was no excuse on that score. As the game progressed the Scottish took heart by the City's inability to take their chances, and their powerful pack finished strongly. The almost complete absence of spectators had a disturbing effect. On one occasion a Gloucester player had the line at his mercy, but not realising his position, cross-kicked and the chance was lost.

THE GLOUCESTER RUGBY MEMORIAL FUND is growing, but is still a long way off its target. Each programme purchased helps it along and donations will be thankfully acknowledged by Mr. A. Hudson, Northgate Street, Gloucester.
