Notes

Today we welcome Gloucestershire to our County after a lapse of thirty years. Games in the past have always been noted for bright and open rugger, and this evening's match should be no exception.

Last year at Kingsholm the score was 25 points to 20 in favour of the home County and we look forward to a repeat of that enterprising football.

The Monmouthshire County Committee beg to thank the Newport R.F.C. for granting them the use of the ground, and taking over the complete arrangements for the game.
