### **SPEED, SPEED and MORE SPEED !**

Pontypool's early season results, although not the purest form of Rugby entertainment, are keeping their followers guessing. Throughout, however, full praise must be given to the forwards under the leadership of Jim Jarrett. They show tremendous promise and potential. The threequarter line has not yet "clicked." This is not through lack of ability, so much as being guilty of not keeping abreast of of the changing pattern of the game. "Speed" is now an essential factor in every player's physical make-up. Speed of thought and action will give a refreshing approach to this great game.

R. Cooper, Sec. PRSC
