CLUB NOTES

Gloucester, one of the most redoubtable clubs in the country are here today hoping to avenge the win we had at Gloucester in October.

The Second Trial at Torquay takes three of our players, Phil Judd, John Owen, and Ray Phillips, and Gloucester lose Don Rutherford. This allows some of the younger players in the clubs to show their paces and Dennis Moore faces rather a severe baptism in our team today.

Today, the only collection allowed during the season will be held - the cause being the Lord Mayor's Christmas Fund which brings so much good cheer to many deserving cases.

Events to Come

On New Years Eve the Club are holding a Dinner Dance in the Clubhouse. Tickets are 35/- each and a limited number are still available from the Social Secretary, Mr. T. R. Leah, 42, Ridgeway Avenue, Coventry.
