## Club News

THIS evening we conclude our programme for the season and our opponents are the famous Gloucester XV. They are always amongst the top sides in England and have a very formidable fixture list. Their playing record so far this season is won 22 games, drawn 6, lost 23, points for 568, points against 483. We hope Gloucester enjoy their game and stay with us this evening.

We shall certainly have to go all out to overcome the Gloucester side and we hope that they will join with us in playing open, attacking rugby.

We would like to congratulate Tony Hopper on his team's performance this season and for their win on Saturday when they beat Redruth 35 to 6 which gave them the 17 points needed to beat the club's previous total points 'for' record comfortably.
