Club Notes

After the recent blizzards, frosts and floods, it is with more optimism than usual that these notes are compiled. The big thaw has started and so with some confidence we issue a warm welcome to Gloucester this afternoon.

Gloucester are always formidable opposition and having had at least two matches over Christmas will perhaps have that edge in fitness. The Scots unfortunately haven't had a game since 5th December, 1981. However the break may have given the boys an opportunity to re-charge their batteries for 1982.

Last season we had two splendid matches against Gloucester. The first at Gloucester we lost narrowly, the second at Richmond (John Player Cup) was an epic contest that ended in a 9-9 draw but the Scots won through because they scored the only try of the match.

It is to be hoped that both sides will be as near as possible to full strength with the recent festive season not showing up too much in the fitness stakes.

Actual team news is very scarce due to the wide dispersal of London Scots over the holiday period.

A very happy New Year to everyone and let's hope we can make it a really good start with a win today.
