GLOUCESTERSHIRE

Monday 27th September, 1982

Today's Game

This evening the County Club extend a very warm welcome to Gloucestershire to Pontypool Park and look forward to the usual hard exciting tussle; an ideal build up for the vital fixture against the New Zealand Maori's on the 3rd November. The visitors have selected a very strong combination and will prove a difficult nut to crack. The backrow looks particularly strong containing England Internationals Mike Rafter and Bob Hesford, while fellow Bristol colleague John Gadd also saw duty with the English party on their recent tour of North America. The visitors threequarter line looks equally formidable where Moreley, Pritchard and Mogg will have to be carefully policed. The Bristol halves Sorrell and Harding are elusive halfbacks eager to use the ball from all positions.

The Monmouthshire side led by Eddie Butler will be finalised after Sunday's Squad session where Coach and Welsh Selector Terry Cobner will be running his critical and analytical eye over perspective candidates for the Maori fixture.

The County Club would like to thank Pontypool R.F.C. for the use of their facilities and look forward to a good free scoring game tonight.
