FOOTBALL

Gloucester had Cinderford for opponents at Kingsholm on Saturday. In the two matches played between the clubs last season drawn games were recorded, and on this account it was generally thought the city team's victorious career was in serious danger of being checked.

The Forest Champions, however, offered no sort of opposition to the Gloucester representatives on this occasion, and retired defeated by 1 goal 3 tries (14 points) to nil.

Clutterbuck, Lewis, and Frank Stout (2) were the scorers, and Percy Stout kicked the goal.

At Cinderford, the junior teams tried conclusions, Gloucester A winning by one try to nil.
