UNITED'S VACANCIES FILLED

Gloucester selectors' S.O.S. for half-backs to play in the Gloucester United XV which meets Pontypool United tomorrow has been answered.

Johnny Baker, an Old Centralians' half-back, comes in at scrum-half, and Eric Stephens moves from the centre to take over the fly-half position.

Into Stephens' centre place comes Peter Hawker, and his place in the pack is taken by a young schoolboy international player from Cirencester, Ken Balham.

A Painswick player, K. Willoughby, fills the other pack vacancy.

The Gloucester team to take on the formidable Coventry side is unchanged.
