## OXFORD'S ONE CHANGE

For their last match before meeting Cambridge at Twickenham on December 11, Oxford University, who meet Gloucester at Iffley-rd., tomorrow, will be without Peter Stafford, who has a poisoned left foot. The condition is not serious, but with the University match so near it was decided not to risk playing Stafford.

His deputy at centre threequarter will be Andy Morgan, an experienced player who has appeared at wing threequarter for the Dark Blues this season.

Team: J. G. Wilcox; M. A. Ware, J. J. McPartlin, A. K. Morgan, D. M. Sachs; R. H. Lamb, A. J. A. Lewis; J. A. Collingwood, S. B. Richards, R. M. Wilcock, P. K. Stagg, I. C. Jones, G. W. Hines, B. M. Stoneman, N. Silk.

Gloucester announced an unchanged side.
