## GLO'STER'S GAME AGAINST ARMY IS CANCELLED

Gloucester RFC have called off their match against the Army, due to be played at Kingsholm on Thursday.

The state of the pitch plus the long range forecast of continued frost and snow decided Club officials to make an early verdict.

Gloucester are due to travel to London to play the Wasps on Saturday but the London club's ground is not playable at present.

A decision will be made on Thursday as to play at the Sudbury ground.
