## NOTES

The defeat on Thursday of last week by the strong and heavy Army Team was speedily made up for by the great display at Leicester two days later when the margin of defeat was represented by a dropped goal only.

Neath will be trying to-day to avenge Gloucester's win on their ground earlier this season (10-8) and last season's defeat at Gloucester (15-9). Both these events proved splendid open games and may to-day's prove likewise. Neath's record to date is P 23, W 10, D 6, L 7, Points for 149, against 107. They have Rees Stephens (forward) playing at Twickenham for Wales to-day.

Nicholls is away and Dangerfield is entrusted with the last line of defence, which he has undertaken occasionally in emergencies. Wingate played well at Leicester and is retained. G. Davies who has played for Penygraig has played some lively games for the United. W. Evans, now fully recovered from injury plays in the front row and Smart returns to complete the pack.

### *Musical Selections by the Cinderford Town Silver Prize Band*

For the information of Members the United match versus the North Gloucester Combination will not be played on February 4th, and will be substituted by a Gloucester Boys' Match.
