## Club Notes

---

Last September at Kingsholm, Gloucester defeated us by 15 points to 3, this being the first time for four years they had avoided being beaten by Bristol. In February of this year, the Cestrians after vanquishing Wasps and The Army in decisive style, came to the Memorial Ground, and although we were expecting a close game we won by the surprisingly wide margin of 23 - 0. To-day's encounter may be said to be fairly open as neither side has shewn convincing form and both have surrendered that doubtful honour the "ground record"—our visitors to Lydney and ourselves to Swansea last week. Our first meeting with our friends from the north of the County was in 1892, although we played a Gloucester 'A' XV. in 1890.

Please make a note of the Bristol Seven-a-Side Tournament which will take place here on Sunday, October 21st. This event is part of our 75th Anniversary Season celebrations. Kick off is at 11.30 a.m. and admission is free.

We were very sorry to learn that our friend, Mr. Charles Humby, recently entered hospital for an operation. "Charlie," as he is known to us all, has for many years done splendid work for the game in Bristol and Gloucestershire, and we know all Bristol Rugger folk join with us in wishing him a speedy return to good health.

It is gratifying to know that Mr. George Wright, of the Referees' Society and Vice-President of Gloucestershire R.U., is making a good recovery from his recent indisposition.
