## Club Notes

---

Frequently this season, players of Gloucester and Bristol have joined forces in a mutual effort to win the County Championship once more for Gloucestershire; unfortunately however the County did not proceed beyond the semi-final.

Tonight, the liaison comes to an end as Gloucester and Bristol face each other in club rivalry. Our visitors have been in very good form of late and will strive to ensure its continuance. On the other hand, Bristol have fallen from grace in recent major engagements and will be hoping to recover some lost prestige. Last season, we won at the Memorial Ground by 10 - 3, the return match being frozen off. The Cestrians won at Kingsholm last September by 16 - 6. Bristolians were very pleased when Peter Ford won his England cap and we hope to see him tonight.

Next Monday, an International XV will play Bristol here, kick-off 6.30 p.m. Usual admission charges will apply and tickets may be obtained here or from Harris's, St. Stephen Street.

The Combination 7-a-Side Tournament will be held at the Memorial Ground from Tuesday 21st April to Friday 24th April inclusive.
