NEWBRIDGE v. GLOUCESTER

PROGRAMME
No 051

SATURDAY 28th. NOVEMBER 1964

We look forward to today's encounter with Gloucester and we welcome their side with true valley spirit. Past fixtures between the clubs have always proved interesting and the quality of the play has been of a high standard. The establishment of two fixtures a season as opposed to the one at present would I am sure benefit both clubs and seeing Gloucester at home every season would be an added attraction for the Newbridge Supporters. The Newbridge side continued their scoring spree against Cheltenham last week, and once again praise must go to the whole team, it would be out of place to mention individuals. Not many people realise that eleven of the present team have played for their county surely an achievement to boast of.

The highly successful Youth side wish to make it clear that anyone interested in joining them should turn up for training on Tuesday nights. Chances of a game are good due to representative calls on the team and injuries.

Congratulations to Denny Jenkins on his selection for the Varsity match.

Supporters bus for Penarth will leave clubhouse next Saturday at 1-15 p.m.
