Welcome GLOUCESTER

We extend a very sincere welcome this evening to the Gloucester XV and their supporters to Pontypool Park. It is always a privilege and pleasure to entertain "English Clubs" and this evening's encounter will be of a sporting and friendly nature. With it is hoped the reputation for open play being relied upon, to give an entertaining and exciting evening's rugby.

Pontypool have not experienced a good season, being in the process of rebuilding, but the pattern of our last three games, which included one of the top Welsh Clubs "Aberavon", where with luck with penalty Kicks we could have ended the game victors by 9 pts. These performances prove that this could be the turning point for us. Pontypool can therefore provide stiff opposition to our English visitors this evening, and if the game is anything as exciting as the Penarth and Aberavon games, then the spectators will be well satisfied.

The news that club Officials and the Council Authorities have agreed on the training facilities, and that dressing rooms will be available in the very near future is indeed extremely welcomed.
