## NOTES

TODAY we see a dress rehearsal for tomorrow's big match: i.e. an English Club v Welsh Club. In the past we have had really great games with Gloucester. Games in which the result has been a secondary feature. The accent being on good open football which would thrill anyone. We hope that this will be the order of the day in this match.

WE face today's game with a 50/50 successful Easter programme behind us. At least we came out of it with 2 wins and a total of 61 points for and 66 points against. Considering such a concentration of Rugby in 4 days, & our record to date, we could have done a lot worse and our lads deserve to be praised for their efforts to entertain.
