NOTES

This evening we extend a very warm welcome to our good friends Gloucester to the Park. Enjoying yet another successful season they will prove worthy opponents. Still they will find Mike Cairns' side in equally determined mood.

On Wednesday the Green & Whites gave a superb display to crush a strong Aberavon flush from their recent Cup defeat of Llanelli. In a highly entertaining game the Green & Whites pulled out all the stops and the Abertillery front trio of Jones, Cairns and Dixon disrupted the Wizards pack with some devastating scrummaging, whilst Robert Norster jumping with great finesse supplied excellent line out ball which half backs Paul and Austin used to good effect. This win was just the tonic the Club needed and we look forward to a repeat performance tonight and further Whitbread Welsh Merit Table Points.

Next home game— Abertillery v Weston
