GLOUCESTER DEFEAT CARDIFF

For the second season in succession, Gloucester triumphed over Cardiff on the Arms Park, winning by a penalty goal (kicked by Boughton) to nil.

Cardiff had out a strong team, but the city were short of Hordern and Edwards.

The Gloucester forwards put up another fine display, and the Welshmen were well beaten in the scrums. The combined back play on both sides was faulty, but there were some clever individual efforts. On the day's play Gloucester were worthy winners.
