RUGBY FOOTBALL

GLOUCESTERSHIRE DEFEAT DEVON

The opening games in the South-West Section of the County Championship were played last week. Gloucestershire beat Devon at Torquay by 1 try (3 pts.) to nil, and Cornwall gained a surprise victory over Somerset (last year's runners-up in the final) by 13 pts. to 9.

Both Gloucester[*sic*] and Devon included several new players, but the football never reached championship standard, the back play being very disappointing.

Payne (Bristol) scored the try for Gloucestershire, Boughton (Gloucester) failing with the goal kick.
