GLOUCESTER WIN

BACKS GIVE TORQUAY DEFENCE A BUSY TIME

Torquay Athletic lost their first match of the year to Gloucester in a fast game before 3,000 spectators at Torquay yesterday. Torquay never produced their true form and spent most of their time defending against Gloucester attacks.

After twenty minutes Gloucester's backs handled, and Edwards and Hook crossed for tries within three kicked a penalty goal and also converted one of them[*sic*].

In the second half Boughton kicked a penalty goal and also converted a try by A'Bear.

Torquay replied with an unconverted try by Bond. Gloucester thus won by 16pts. to 3.
