LYDNEY HOLD THE FORT

LYDNEY 3 Pts., GLOUCESTER 3 Pts.

Despite the absence of four of the regular backs, Gloucester took a stronger side than usual to Lydney, on Tuesday, but the home team once again rose to the occasion, and in sharing honours accomplished a highly meritorious performance.

It is now ten years since Gloucester won at Lydney, the record being : Lydney six wins and four drawn games. Few clubs can boast such a record against Gloucester, and Lydney are naturally very proud of their achievements.
