GLO'STER BEATEN

MOSELEY'S TRIES IN CLOSING MINUTES

In their match at Kingsholm against Moseley last evening, Gloucester fielded almost a reserve back division and suffered defeat by a goal and a try (8pts.) to a goal (5pts.).

Gloucester had the advantage forward, but behind the scrum Moseley were infinitely superior. There was no score in the first half, but Moseley went close on several occasions, the backs combining very cleverly at times.

Price crossed for Gloucester soon after the restart, and Stephens converted with a beautiful kick.

The City held the lead up to the last five minutes, when Moseley broke away with two delightful movements, which resulted in Berry and Williams (who lives in Evesham) scoring.

Wright converted one try and Moseley gained a well-deserved win by three points.

The Gloucester backs sadly lacked combination and scoring ability.

The Gloucester side included E. D. R. Eager and F. E. Brandt, Old Cheltonians.
