UNITED'S SPLENDID PERFORMANCE.

It was a splendid day for the Gloucester Club, for the United avenged their defeat at Bristol last September, and won the return by 11 pts. to 8.

Bristol United are one of the strongest Second teams in the West and Wales, and Gloucester United are to be congratulated on their success.

Tom Stephens, the captain, played a notable part in the City's victory, kicking two penalty goals and converting the try scored by Loveridge.

Gloucester United have enjoyed a very successful run since losing to Newport United on the last Saturday in November. They were visitors to Listers, at Dursley, to-day.
