FOOTBALL

On Thursday Gloucester played London Hospital, the match being set apart for the benefit of the Children's Hospital and local charities. The weather conditions were bad and there was only a small attendance of spectators. The Hospital had the better of the game, and retired victors by 1 goal, 1 try (8 points) to 2 tries (6 points). Dr. Taylor injured his ankle in a tackle, and is likely to be out of the game for some weeks.
