FOOTBALL NOTES

Gloucester's holiday programme was commenced under promising conditions on Saturday, when Aberavon visited Kingsholm for the first time for a number of years. After a pleasant game Aberavon deservedly won by 9 points to 8, chiefly owing to their superiority forward.

During the latter stages of the game, Sid Brown, in tackling Griffiths, the Aberavon wing threequarter, unfortunately met with an injury, but returned to the field after medical attention.

On the receipt of the almost incredible – but, alas, only too true – news of the passing of the popular and universally esteemed vice-captain, all further Easter games were cancelled.

An account of the accident and a brief sketch of Sid Brown's career appear elsewhere.
