GLOUCESTER'S TRIPLE WIN

Gloucester undertook their Devon tour last week-end and established a record by winning all three matchers with the same fifteen. On Saturday Plymouth Albion were defeated by 11 points to 6; on Monday Devonport Services were beaten by 16 points to 9, and Sidmouth lost on Tuesday by 13 points to 3.

Gloucester experienced some difficulty in raising a team to make the journey owing to Voyce, Hughes, Crowther, Thomas, Duberley, Triggs-Herbert, and Short not being available, but the reserves, with the assistance of Bullock and Weaver (Cinderford) and Biddle (Lydney), did splendidly, especially forward. T. Millington captained the team, and was the outstanding player in the back division.

Further donations to the Sid Brown Fund brings the total to over £700.
