OUR VISITORS

We wind up yet another season - a very successful one, if we may say so - with a visit from our popular County neighbours, Stroud, to whom we extend a cordial welcome this evening.

After their disappointing display in the gales and rain at Exeter on Monday night, when the tour appeared to have left its mark on some of them, our lads will be anxious to make amends at the expense of Stroud.

Last October, in an evening game at Fromehall Park, our neighbours gave us a hard fight, and Gloucester had to pull out all the stops to win by 6 points to nil. There should be another close tussle tonight, for Stroud will be equally keen to avenge that defeat.

Hopes of arranging a match for next Saturday evening at Kingsholm have now been dashed, so we take this opportunity of thanking all our members and friends for their excellent support throughout the season. There have been many spectacular displays to compensate the occasional disappointments, we feel sure, and we look forward to your valued support next season.
