CLUB NOTES

We are always glad to welcome Gloucester, the well known West Country Club as our opponents at Franklin's Gardens. Regular fixtures between the Clubs have with the exception of the War years been held for nearly seventy years. Last season the match played at Franklin's Gardens resulted in a draw 8 - 8.

Earlier this season the Saints lost 9 - 16 at Gloucester.

It is good to hear that Don Rutherford has recovered from his injury sustained in New Zealand during the Lions tour and that he has started playing again.

Last week the Saints again made silly mistakes which resulted in a win for Leicester 8 - 3.

The Wanderers are having another good season. Their record to date being played 25, won 18, drawn 1, lost 6. Points for 428, Points against 144.

Over a hundred tries have been scored with Jerry Allen being top scorer with 21.
