FOOTBALL

Gloucester had Moseley for opponents at Kingsholm on Saturday, the City winning by 1 goal (d), 3 tries (13 points) to 1 goal, 1 try (8 points). Gloucester did all their scoring in the first half, when Loveridge (2) and Foulkes obtained tries and Millington dropped a goal. Some delightful football was witnessed during this period, but there was a complete transformation after the change of ends, both teams displaying disappointing form. Moseley had a weak side out and did well to run the City to a five points margin.

Several Gloucester players are on the injured list including the captain and vice-captain (Voyce and Loveridge), Millington, and Thomas. Crowther, too, was off the field against Moseley, and did not play against Cinderford.
