RUGBY REFLECTIONS

At Bath on Tuesday, the City team made some amends for the disappointing show served up at home the previous day, and gained a very creditable victory by 13 points to 6, after being in arrears at the interval.

In this game Gloucester displayed greatly improved form, the forwards especially doing well under the leadership of Seabrook. The backs, too, did much better, Milliner and Millington having a big pull over their opponents at half-back. Loveridge, Millington and Comley were the trygetters for the City, the acting captain's effort being a very fine one.

This, by-the-way, was Gloucester's first away win of the season, and considering the weakened side the success was all the more gratifying. Bath, like Gloucester, missed chances of scoring, but the better team won on the day's play.

The City Fifteen were as follows :

Thomas; Loveridge, Stephens, Hughes and Crowther; Milliner and Millington; Seabrook, McIlwaine, Short, Foulkes, Owner, Hemmings, Franklin and Comley.
