GLOUCESTER SEEK WIN No. 26

Gloucester supporters saw a Yorkshire club in action at Kingsholm for the first time for some years, when Bradford provided to-day's opposition.

Gloucester took the field seeking their 26th win of the season.

One of the two leading R.U. clubs in Yorkshire, Bradford included, is county wing threequarter[sic] L. W. Bentley.

Gloucester had Hudson in the centre in place of Sutton, who received a nose injury on Saturday.

Rain had soaked the grass during the lunch hour.
