CIVIC SUPPORT FOR MATCH WITH LIGHT BLUES

Gloucester Rugby Club's eagerly-awaited match with Cambridge University at Kingsholm tomorrow (3.0) will be watched by a number of distinguished guests.

They will include the Mayor of Gloucester (Ald. G. A. H. Matthews), the Sheriff (Coun. H. A. Gibson), the City Member (Mr. M. Turner-Samuels) and Mrs. Turner-Samuels, the Dean of Gloucester (Dr. H. Costley-White), and the Archdeacon (Canon W. T. Wardle).

A very big crowd is expected and all the proceeds from this attractive fixture are to be given to the Gloucester Cathedral Fabric Appeal Fund.

During the half-time interval a collection – also in aid of the Cathedral Fund – will be made and, as the match is the Cherry and Whites' big effort in aid of the fund, it is hoped that supporters will give generously.

In addition to the normal accommodation, extra seating will be provided inside the rails.
