CHELTENHAM AT GLO'STER TOMORROW

For their last game at Kingsholm this season, against Cheltenham tomorrow (5.45), Gloucester will field the same team that did duty against Blackheath.

A. P. de Nobriga, the Cambridge University player, will be making one of his last appearances for Cheltenham before returning to the West Indies.

W. P. C. Davies, who played a fine game last week, will appear on the wing at his own request.

T. W. Price and D. Hughes are not available and D. A. Howarth is still unfit following an operation.
