## A HAT-TRICK FOR BREEZE

GLOUCESTER UTD. 38 Pts., LUCTONIANS 11 Pts.

United ran in eight tries at Kingsholm last night to record a comfortable win.

The try romp was made possible by some excellent forward play. Lock Dave Watling and Paul Wood were the pick of the Gloucester eight, while colts player Chris Wayman made a successful debut.

United took the first-half lead with tries from Pascall, Longstaff and Jim Breeze (2). Parsloe kicked one conversion.

In the second-half, United continued to dictate matters. Breeze went on to complete a hat-trick of tries, and Williams, Scrivens and Wood all followed him over the line. Wayman added two conversions to give United their winning margin.
