KINGSHOLM TALK

By Terry Phillips

Coventry Extras bring a six match unbeaten run to Kingsholm this afternoon. Included in that run is a 26-4 victory against Longlevens at Coundon Road - a match drawn from the fixture exchange. Their other wins were against London Scottish, Rotherham, London Welsh, Blackheath and Bath.

Gloucester United themselves have an excellent record. After being unbeaten throughout last season United have played 16 games this season and lost only once - against Glamorgan Wanderers away. Since that defeat United have gone ten matches without a loss - nine wins and a draw against London Irish away.

Skipper Dave Pointon returns to action today after a short spell out through illness. He plays in the centre.

On Monday evening Gloucester United have another home match when they take on Newport at Kingsholm (7 pm). On the same night the first XV are away to Newport.
