FOOTBALL

Gloucester entertained Bristol at Kingsholm on Saturday, and delighted their followers by defeating the visitors by 2 tries (6 points) to 1 penalty goal (3 points). It was a hard and strenuous contest, and provided plenty of excitement.

The Gloucester forwards again excelled, Voyce playing a great game. Sid Brown obtained both tries for the city, but the main work was accomplished by Dix and Voyce respectively. The International missed the goal kicks.

Bristol's penalty goal was registered by Pickles.

Gloucester A. who continue to show capital form, beat Bristol Saracens at Bristol, by 6 tries (18 points) to 1 penalty goal (3 points). Bloxsome (2), Daniell (2), J. Brown and Ashmeade scored the tries for the Seconds, who showed clever combination behind the scrum.

To-day Gloucester are at home to Guy's Hospital, the famous London team.
