FOOTBALL

Gloucester sustained their first defeat of the season last Saturday, losing to Cardiff on the latter's ground by 1 goal (d), 2 tries (10 points) to nil.

The Welshmen deserved their victory on the day's play, the City team failing to repeat the form which they had displayed at home in recent games. The visitors, however, were handicapped in having to play a Cardiff local man forward in place of A. Hall, who unfortunately missed his train.

At Kingsholm Gloucester A gained their sixth successive win, beating Cardiff A by 2 goals, 1 try (13 points) to 1 goal, 2 tries (11 points).
