TWO WINS FOR GLOUCESTER

Gloucester are showing improved form, and two good wins were recorded at Kingsholm over Northampton and Bristol.

On Saturday, Northampton were beaten by 2 goals (10 points) to 1 goal, 1 try (8 points), tries for the City being scored by Saxby and Comley, both converted by Boughton. It was a hard, keen game, Northampton fully extending the home team at all points.

Against Bristol, the Gloucester forwards played splendidly and laid the foundations for victory. James and Hemming scored tries for the City, one being converted by Boughton; while Burland kicked two penalty goals for Bristol.

Near the end, Burland damaged his shoulder and was kept out of the combined Gloucestershire and Somerset team to oppose the South Africans in their opening match of the tour at Bristol to-day. McCanlis filled the vacancy.

Next Saturday : Leicester are due at Kingsholm.
