FOOTBALL

SOUTH-WEST CHAMPIONSHIP

Gloucestershire defeated Somerset at Bristol last week by 2 goals 1 try (13 pts.) to 1 penalty goal (3 pts.). Dowling, Carter and Carpenter scored the tries for the winners, Burland kicking the goals. Gloucestershire won deservedly.

Cornwall gained a surprise victory over Devon by two tries to nil. Each county has now won one game, and are level on points. The probability is that there will have to be a replay.

Gloucester, with a disorganised team, beat St. Bart's Hospital at Kingsholm by 11 pts. to 8, a great try by J. T. Andrews in the closing stages deciding the issue.
