

GRFC Season Record 2013-14

<p>Season Record</p>	<p>Played 33, Won 13, Lost 20 Points For 646, Against 749 Premiership: Played 22 Won 8 Lost 14 For 440 Against 539 Position: 9th A hugely disappointing season which following the final day defeat to Worcester resulted in Nigel Davies being removed from his post. The forwards could find no platform for most of the season and clubs had no fear of coming to Kingsholm. It was the first time that Gloucester had lost more league games at home than wins in the entire history of the leagues which commenced in 1987-88. Players making their debuts this season included Matt Kvesic, Dan George, Tavis Knoyle and James Hudson. It was sad to see Andy Hazell having to call time on his career. Mike Tindall became the final player from the World Cup winning England team of 2003 to announce his retirement.</p>
