## FOOTBALL NOTES

The City team journeyed over to Cheltenham to give the Garden Town a football lesson, and they also brought home the spoils by 3 tries to nil.

It was a very weak team which represented the City and great credit is due to reserves for their fine win.

Kingsholm was the scene of the Boys' Derby, when Mr. Eric Hayes' lads deservedly defeated Bristol Boys by 17 points to 3.

Boughton, the English International at centre three-quarter, was a host in himself, his kicking being a feature of the match. The City Boys were well served at half by their midget scrum worker, who made up for his lack of inches by his pluck.

Hyde, the Gloucester full back, defended well; he also showed that he is very fast. He surprised the spectators by joining in with his three-quarters and scoring a good try.

Wiltshire, for Bristol, – gained the best score of the match; he received the ball in midfield, and, swerving well, scored behind the posts.

To-day (Saturday) Pontypool are the visitors at Kingsholm, when Gloucester will have to be on their best form to win.
