FOOTBALL

GLOUCESTER LOSE AT SWANSEA

For their annual visit to St. Helen's, Gloucester were short of Boughton, J. Stephens, Milliner, Voyce and Hall, as well as David, who has returned to India. Swansea, too, had to replace four men selected for the Welsh trial.

Swansea were the smarter team in the first half, and E. Evans (wing three-quarter) scored tries, and Harris kicked a penalty goal.

In the second half the City attacked desperately, but failed to make full use of the scoring chances. In one break away the Welshmen scored again through Evans, and won by 12 points to nil.
