### GLOUCESTER'S DEFEAT AT NEWPORT

Gloucester visited Newport last Saturday for the return match short of Milliner, J. Stephens and Foulkes, all on the injured list, and suffered defeat by 4 goals (1d) 1 try (22 points) to nil.

The City held up splendidly for twenty-five minutes, but once Newport had opened the scoring they never lost grip of the game. The winners played attractive football and the backs handled brilliantly at times.

At Kingsholm the City Seconds, with severely depleted ranks lost to Newport A by 19 points to 3. The winners were easily the better team all-round.
